If there is inclement weather on Tuesday, we will postpone both days of the meet and move to a Wednesday and Friday schedule. A decision will be made by 1:00 p.m. on the 14<sup>th</sup> and you will be notified via email.

We will follow the same schedule that has been used in past years. (please see page #2)

All relays, the 800, 1600 and 3200 will be run in one heat. All sprints will be section vs. time.

Each School will be allowed three athletes in each individual event and one relay team.

There will be no additions the day of the meet. ( substitutions will be allowed )

Information regarding online entries and deadlines regarding the field and running events will be forwarded by May 1.

Brian Buckner from Slipstream Timing will work the meet. Each school will need to send a check for \$125.00 to GPS to offset the cost of electronic timing.
